

DESCRIPTION

The Invito collection is defined by robust beauty, insisting on strong forms, effected with solid and compact basic material – wood. Simple, powerful, finely proportioned forms seem reliable, evoke durability, resistance and comfort. The holders here play a clear role; built to last with exceptional stability. The beauty and strength of wood is visible in the expressive shapes of the elements, additionally accentuated by unexpected contrasts in the material, tones, colour, in the details changing and enriching the character of the piece. Invito is a collection of unassuming aesthetics, of finely crafted simple forms and of a strong character.

PRODUCTION PROCESS

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood’s texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
