

DESCRIPTION

The Nilu coffee table is inspired by traditional low Japanese tables, embracing a design philosophy that emphasizes simplicity, functionality, and a close connection to natural materials. A defining feature of the Nilu coffee table is its leather shelf, which offers a refined contrast to the solid wood construction while providing practical storage for books, magazines, or everyday essentials. Crafted with precision, the Nilu coffee table reflects Artisan’s dedication to quality materials and timeless forms.

PRODUCTION PROCESS

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood’s texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
