Carefully finished to enhance the natural grain of the wood, Tesa is a timeless piece that brings warmth and elegance to any interior, effortlessly blending functionality with understated beauty.

PRODUCTION PROCESS

The sideboards, lowboards and cabinets are crafted from solid wood, carefully chosen to showcase the natural grain and texture. Precisely cut and shaped, each piece features clean lines, perfectly fitted joints, and sturdy construction for long-lasting durability. Surfaces are hand-sanded and finished to protect the wood and enhance its organic beauty. High-quality hardware ensures smooth, silent door and drawer operation, while select designs feature sculpted fronts or integrated handles that highlight Artisan's craftsmanship. Available in various styles and finishes, these sideboards blend timeless elegance with functionality, making them a versatile addition to any space.
