

DESCRIPTION

The Wu lounge chair stands as a distinctive embodiment of character and style, seamlessly transitioning between residential and contract settings with ease. Choose from a palette of seven different wood types, including European oak, walnut, maple, elm, cherry, American Walnut and Ash, each enhanced by various natural finishes, such as oils and soap. For an added layer of personalisation, the Wu lounge chair offers options for a solid wood seat or upholstery, featuring a range of premium leathers or fabrics. Additionally, you can select for an optional backrest upholstery.

PRODUCTION PROCESS

The creation of the Wu lounge chair begins with a thoughtful design process, focusing on achieving a sleek, ergonomic silhouette. High-quality, sustainably sourced wood is carefully selected for its strength and aesthetic appeal. The frame is cut and shaped with precision tools to ensure seamless joints and structural stability, while the soft, flowing lines are refined through meticulous hand-sanding. The seat and backrest are upholstered with high-resilience foam and covered in premium fabric or leather, chosen for comfort and durability. The upholstery is expertly fitted, with detailed stitching that enhances both the chair’s aesthetic and functional qualities. After assembly, the frame is treated with a natural oil or lacquer finish to protect the wood and bring out its grain. Each chair undergoes a final quality inspection to ensure it meets Artisan’s high standards, resulting in a piece that is not only visually stunning but built to last - a timeless embodiment of craftsmanship and design.

PRODUCT TYPE

Lounge chair

USAGE

Indoor

DISMANTLING OPTION

No

GLIDERS

Standard gliders

STOCK ITEMS

No

COUNTRY OF ORIGIN
