

Warm and rich in details, the cross cut Travertino is ideal for eco-design-oriented accommodations. A perfect solution for underfloor heating, thanks to its high thermal conductivity. The right choice for those who look for energy savings along with the essence of design elegance.

COMMERCIAL RECEPTION AND BAR AREA

TRAVERTINO

R10 - B - COF >0.42

RESIDENTIAL LIVINGROOM

PIASENTINA

"Giorno e Notte" Neutra, calda, con leggere venature talcate che in modo del tutto casuale la percorrono, perfetta per dare continuità a tutti gli ambienti.

RESIDENTIAL BEDROOM

"Day and Night" neutral, warm, with scattered trace elements that cover it randomly, perfect to give a lightness and airy touch to all environments.

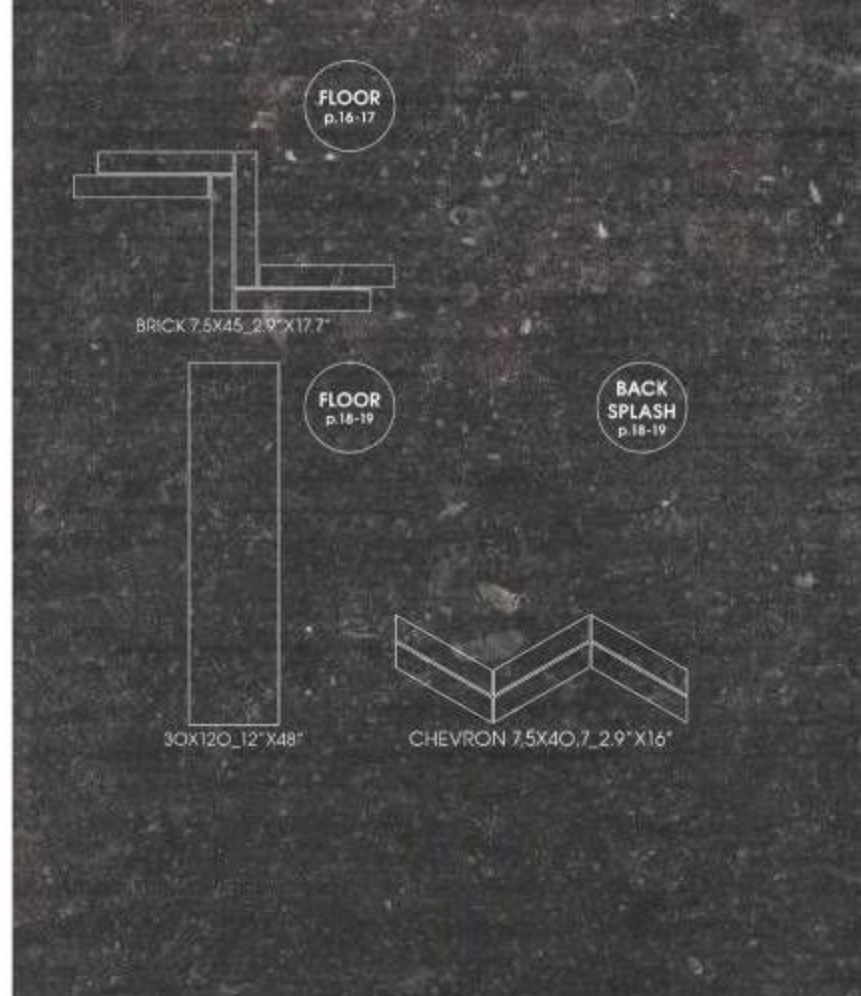

PIASENTINA

Realistica, resistente e di facile pulizia. Pierre Bleue è a tutti gli effetti un gres porcellanato dal design tecnico che racchiude in sé tracce indelebili del più remoto passato.
