DIAMOND

SOLID WOOD

This line has been designed for those who appreciate the pleasure of a precious object relecting the characteristics of massive wood. The 600 collection is the result of we experience and knowledge of raw materials, warranty of great deal of care in details.
Every model can be realized in various essences: black walnut, white oak, yellow poplar.
600, a collection of doors characterized by inlays, profound engravings with diferent colour shades, also on request. Thanks to advanced technical innovations, as valuable straight edges at 45°, we maintain the linearity of the door surface.
600: a precious furniture complement to make exclusive the environment you live in.

Every product is singularly treated, aiming to give a peculiar look to wood and finishing.

This product is realized by using special finishes and materials coming from handcraft treatments; for this right reason it's unmatched and original, and any sort of "deformity" in itself at the time of purchase or later is not to be considered as such, but a confirmation of its uniqueness.
