GALA

design by Ferruccio Laviani

Gala si contraddistingue per la sua grande sobrietà e per la leggerezza che le sue proporzioni ci trasferiscono. Un importante contenitore dall'aspetto monolitico è sospeso su un telaio metallico a fasce che impreziosisce il mobile. Attrezzato con ante o cassetti, Gala è un elemento di arredo versatile e raffinato.

Gala features the great sobriety and lightness conveyed by its proportions. A majestic monolithic-looking storage unit, suspended on a metal structure with bands, which embellish the whole object. Endowed with doors or drawers, Gala is a versatile and refined furniture item.
