Young, easy , linear, dynamic and ready to go: these are the peculiarities of ESPRESSO.  
Gradually awaken your senses with a door from the ESPRESSO collection, with smooth, soft shapes,  
enriched by shades of coffee, malt, cereals, vanilla and meringue.

Every product is singularly treated, aiming to give a peculiar look to wood and finishing.

This product is realized by using special inishes and materials coming from handcraft treatments; for this right reason it's unmatched and original, and any sort of "deformity" in itself at the time of purchase or later is not to be considered as such, but a conirmation of its uniqueness.
