ABOUT BRAND

STORY

MANIGLI creates luxury and timeless hardware, bringing unique and outstanding products that will satisfy different needs and requirements.

By investing in design and innovation, the company, has succeeded in redefining the quality and stylistic standards with its ability to adapt an innovative style and create completely new design experience, helping people to live beautifully.

Its comprehensive product range carries the idea of architectural design intended for each residential and commercial project thanks to the exceptional quality and seamless design.

MISSION

MANIGLI'S mission and philosophy is to bring the Italian design and quality to the attention of architecture and design firms, offering the opportunity to enjoy the best designers' masterpieces in their home.

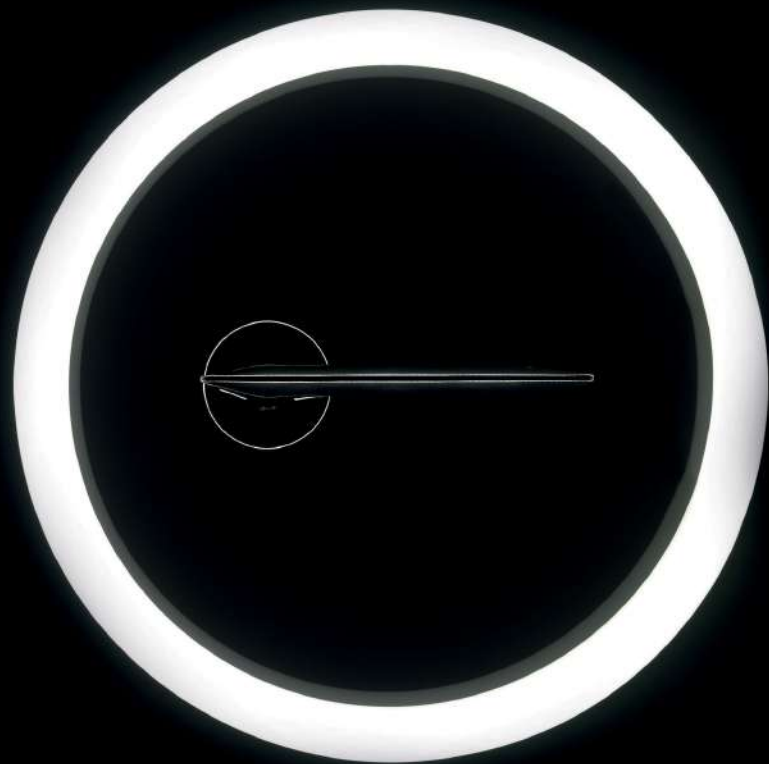

Every single model is created and manufactured with aesthetics and aim to bring personality to your style. This is why we don't think in terms of products, but of style collections we create.

VISION

MANIGLI has taken a commitment with its customers and with itself: every achievement, every created piece must tell a clear and unique history of passion and the highest research results, that comes from every detail.

A story that can be understood even at first glance, but first of all that can be appreciated even by the most demanding customer. The beauty of a product of excellence must be accompanied by the maximum level of quality, for those who are constantly looking for a luxury hardware, intended to last beyond fashion, which exceeds the judgment of time.
