

STELLA TABLE LAURENT AUTOMATIC

AUTOMATIC OUTDOOR GAS FIREPLACE

Gas Technology

2in 1 FIRE TABLE FOR UNIQUE OUTDOOR DESIGNS

Introducing a revolutionary concept in outdoor living, the gas fire-pit integrated into a table, combining functional design with aesthetic appeal. It allows guests to enjoy the enchanting glow and comforting warmth of the fire-pit while gathered around the same table, perfect for any backyard or patio setting.

AUTOMATIC GAS TECHNOLOGY

Stella offers a hassle-free experience. With just a push of a button, you can ignite the fireplace, instantly creating a cozy atmosphere in any outdoor setting. The design includes safety features like automatic shut-off and precise temperature control, making it a safe and efficient choice.

NATURAL GAS OR LPG

Stella Table Automatic can operate on either LPG or natural gas, allowing users to choose the most accessible and cost-effective option for their needs.

SINTERED CERAMIC TABLETOP

The top of Stella Table is made of the highly-renowned Dekton surface by Cosentino – ultra-compact material made from sintered ceramics, quartz and glass. Its high-performance offers scratch and stain resistance and is known to withstand high temperatures. It has an elegant matte look of Laurent marble, making it an eye-catching decoration in any space.

REMOTE CONTROL

Control the fire with the remote, app on your smartphone or a home automation system.
