

**QUADRA**

CONTEMPORARY

# QUADRA

S I M P L E   D E S I G N

Wood has always been the base for our success with doors - in this mentality was born QUADRA, perfect match of consistency and value of MASSIVE WOOD, with lightness and contemporaneousness in design. The doors of this collection are characterized by a natural energy and, at the same time, an extreme capacity to stay unscathed through fashion years; they were thought to give movement to home spaces, always keeping an eye to style and sobriety.
