LISO

VETRO

CLASSICO

Liso White Oak

Minimalist Design:

Part of the Urban collection, the Liso White Oak Pre-Hung flush door features European-inspired design that blends seamlessly into any home interior design and interiors home project.

Solid Panel Construction:

The solid panel with wooden texture reduces sound and enhances quiet refinement in any interior and home space.

Eco-Sustainable Finish:

Legnori offers 100% Made in Italy surfaces with a natural white oak texture. These interior doors resist scratches, impacts, and moisture, ideal for high traffic or damp areas.

Ready-to-Install Convenience:

Delivered as pre-hung interior doors with a frame, complete with hinges and pre-attached casings, these doors ensure quick installation and a refined fit for any home interior or multi-family projects.

Vetro White Oak

Modern Aesthetic:

The Urban Door Vetro White Oak Pre-Hung combines contemporary design with subtle elegance. Opaque glass inserts enhance any home interior design or interiors home project.

Legnori Finishes:

Eco-sustainable Legnori finishes replicate natural wood grain with authentic texture and warmth. Featuring a 100% Made in **ITALY** Surface, they are ideal for interior and home spaces.

Performance & Durability:

Scratch and impact resistant, these Pre-Hung interior doors with wooden texture withstand daily use and moisture, making them perfect for kitchens, bathrooms, and high traffic areas.

Pre-Hung System:

Delivered as Pre-Hung interior doors with frame with hinges and pre-attached casings, the Pre-Hung doors reducing installation time, adding both style and precision to any home interior.

Classico White Oak

Two-Panel Design:

The Urban Door Classico White Oak Pre-Hung interior door features two gracefully defined panels with wooden texture that bring architectural detail and transitional charm. This door Pre-Hung solution is versatile, making it an excellent choice for any home interior design that blends classic and modern elements.

Legnori Eco-Surfaces:

Legnori eco finishes replicate the natural look and texture of wood while offering an eco friendly alternative. Featuring a 100% Made in **ITALY** Surface, Legnori brings warmth and sophistication to your interior and home projects without the upkeep of traditional solid wood, perfect for enhancing interior home aesthetics.

Durability & Performance:

Legnori surfaces resist scratches, impacts, and moisture, ensuring long lasting beauty. These Pre-Hung interior doors with frame are perfect for high traffic areas, offering easy installation and refined style for any interiors home project.

MANIGLI

American standard Magnetic Tubular Latch

The Urban Collection comes pre-drilled for American standard tubular latches. Featuring Manigli magnetic tubular latches, it is available in Satin Chrome, Matt Black, and Polished Brass finishes, with options for passage, privacy, and panic functions. Compact in design yet reliable in performance, it provides smooth and silent closing.

Pre-Hung Convenience

The Urban door Pre-Hung comes complete with frame, hinges, pre-attached casings. These Pre-Hung interior doors with frame offer easy installation and stylish integration for any home interior or multi-family projects.
