

Clarity | Sideboard

The Clarity Sideboard is completely see-through, in glass. Its presence is serene, as if filtering and cleansing the ambient and the objects it can contain. The Clarity does not hide. It is transparent. It celebrates our totems, displaying and sheltering them. Handcrafted in glass, and featuring three glass doors and four glass drawers, the Clarity is a structural wonder, laid upon a metal foundation. As in Nature, there is awe in what is seen and not seen.
